

REMARKS

After the foregoing amendment, claims 1-22, as amended, are pending in the application. Claim 13 has been amended to correct a typographical error. Applicants submit that no new matter has been added to the application by the Amendment.

Original claim 13 lacked a period at the end of the claim. A note was added to add a period to the end of claim 13 during the preparation of the previous amendment, but the period was not added and the note remained in the filed amendment. Applicants, by this amendment seek to delete the spurious note and add the period at the end of the sentence.

Conclusion

In view of the fact that this amendment is being promptly filed upon receiving a Notice of Allowance, and that the amendment to claim 13 is merely formal in nature and requires no substantial amount of work on the part of the Office, Applicants respectfully request that the amendment to claim 13, correcting a typographical error, be entered.

Respectfully submitted,

KENICHI ASHIDA ET AL.
